

PerSo – Perugia Social Film Festival – IV Edition

Call for Entry 2018

The 4th edition of PerSo – Perugia Social Film Festival will be held in Perugia from the 20th to the 30th of September, 2018.

INTRODUCTION

The aim of the Festival is to portray all the different aspects and widest meanings of the Social world through the Cinema of the Real. The Festival is mainly focused on innovative documentary styles and their ability to merge different genres, with the hope of getting a wide audience closer to the stories and themes addressed.

GENERAL GUIDELINES

The Festival is organized by the Foundation “La Città del Sole” – Onlus, in collaboration with “RealMente” NGO, with the patronage of *Ministero dei Beni e delle Attività Culturali e del Turismo, Regione Umbria, Comune di Perugia, Università degli Studi di Perugia, Università per Stranieri di Perugia, MIUR – Ufficio Scolastico Regionale per l’Umbria and A.Di.S.U. dell’Umbria*. Additional support is provided by other public institutions and private sponsors.

The Artistic Direction, the Selection Committee and the Jury’s choices are unquestionable, specifically on the selection of films, on the choice of the competitive category of each film and the Awards assignment. If the number of high-quality films submitted is not enough for a contest section to be developed, that section will be removed from the current edition and prizes will be redistributed among the remaining sections.

Authors and producers are responsible for the content of their works. With the Festival registration, they automatically acknowledge that they have fulfilled any obligations towards third parties, including from royalties and copyright.

All films must maintain an Italian Premiere status, which means they must not have been publicly shown in Italy before September 30th 2018 (This pertains to any platform available: festivals, events, any kind of television program, Internet, etc.).

The selection will give priority to World, International and European Premiers.

“UMBRIA IN CELLULOIDE” COMPETITION

Eligible for the selection process are short (less than 30 minutes), medium (between 30 and 74 minutes) and feature length (75 minutes or more) documentaries concluded after 1st September 2016. These documentaries must focus on social issues in a broader sense (as explained in the Introduction, point 1) and be somehow related to the Umbria Region: about Umbria itself and/or set in Umbria and/or from authors either born or residing in Umbria.

Since this peculiar category is related to a very restricted production/setting field, the Festival Direction decided to open this Award to the “Social Cinema”, with the additional objective of encouraging the Umbrian Cinema. The “Social Cinema” is to be intended in its widest sense, including, besides the Cinema of the Real, also the Fictional Cinema and the Cinema of Animation on social issues.

AWARDS

a) PerSo “Umbria in celluloid”:

€ 1.000 to the best documentary film

BEST TEASER AND DOCUMENTARY PROJECT – PERSO LAB COMPETITION

Eligible for the selection process are teasers of documentary works that are still to be produced. The teasers must be accompanied by a project and can be of any nationality. The running time must not exceed 6 minutes of total duration.

The registration requires the submission of a teaser together with a synopsis of the project, the director's notes and a production report about the development phases of the work that is still to be produced.

In order to be a teaser, it must be an audiovisual work able to give a sneak peek of what the story is about, the author's documentary style and the way he or she approaches the main theme, and a visual example of how the finished work will look like.

The above-mentioned caption “still to be produced” means that only a minor part of the final work must have been produced both at the Festival submission time and at the Festival screening one. The selected authors will be required to provide a self-certification through the acceptance letter and the disclaimer both to be sent by the proposer.

The Festival Direction, at its own discretion, will state whether this requirement is actually fulfilled.
